Don't hang out in the **NO-ZONE**

Large Trucks have huge blind spots called NO-ZONES around the front, back and sides. Accidents occur more frequently here. If you can't see the driver in the truck's mirror, the driver can't see you.

Help spread the word! Below are Sample posts:

(#SchoolName) is having a great time with the Teens and Trucks #ShareTheRoad!

Today we are excited to come together and spread the word about #TrafficSafety!

#FACT: (share an interesting highway safety fact)
